INTERNATIONAL SOCIETY FOR
COMPUTATIONAL BIOLOGY
WWW.ISCB.ORG/ISMBECCB2019

ISMB/ECCB 2019 attracts **top international scientists** & **key decision makers** in the life sciences – **experts** in areas such as **Computer Science**, **Molecular Biology and Medicine**, **Mathematics** and **Statistics** from the world's largest and most prestigious research institutions and companies.

Representing **50+ countries** --- **that's over 50 markets!**

Join us and take full advantage of this opportunity to enhance your organization's visibility, expand your network of prospects, meet up with your current clients, and positively **impact your BRAND**!

Sponsorship options have been designed for every budget level and customized packages can be arranged as a flexible solution to meet your needs!

With over **600 talks**, spanning
20+ different topic areas as well as **800+ posters!**

ISMB/ECCB 2019 is the premier, worldwide event in computational biology and bioinformatics. The conference is the place to present breakthrough results, hear from the top scientists, and discover new developments at the leading edge of bioinformatics. For sponsors and exhibitors,

ISMB/ECCB is where to meet face-to-face with potential clients, uncover new trends in research and development, and connect with the bioinformatics community with the **C**ommunities **o**f **S**pecial **I**nterest:
